### Description/Profile

Published since 1992, IPE is dedicated to promoting excellence in industrial efficiency. This publication covers all the issues associated with the management of: Manufacturing, Factories, Maintenance, H&S, Technology, Energy, Materials, Premises and much more.

This publication has 7 main sections in every issue to keep its readership informed and up to date, these are:

- Plant, Process & Control
- Efficient Maintenance
- Production Engineering
- Energy Management
- Premises Management and Maintenance
- Handling & Storing
- Health, Safety and Welfare

This magazine is audited by the ABC (Audit Bureau of Circulations) and the publisher also uses both in-house and other specialist teams to clean and verify reader data on a daily basis. This title offers a 100% requested circulation guaranteeing that any data you rent from this source will be of the highest quality.
